

Eastern Section AAPG Call for Abstracts

The submittal site for the 2021 Eastern AAPG meeting is now open!

The 2021 Eastern AAPG meeting is seeking oral presentations and posters for its 50th Anniversary meeting in Pittsburgh, 2-6 October.

The meeting theme is “Unconventional Wisdom” in honor of the unexpected but countless ways geology affects our world. Presentations on wide-ranging geologic topics are encouraged, including (but not limited to!):

- Hydrocarbon Exploration and Development
- Carbon Capture and Storage
- Energy Storage
- Mineral Exploration / Economic Geology
- Oilfield Technology / Environmental Technology
- Shale Impact mitigation and beneficial uses
- Stratigraphy / Sedimentology (in honor of Paul Potter)

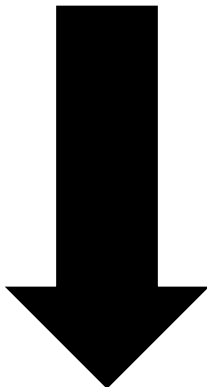

Deadline Extended through July 31!!!

Deadline for submission is June 30, 2021. You can submit your abstract at: www.esaapg.org

For questions, contact Technical Session Chair, Gregory Bank at: bankg@srcx.com

See Abstract Guidelines below
